Spirits

The drinking of Scotch whisky was introduced to India in the nineteenth century. Amrut distilleries in Bangalore estimate because of climate differences, one year of barrel ageing in India is equal to three years of ageing in Scotland. Amrut or Amrita is a Sanskrit word which can be translated as 'nectar of the gods', 'nectar of life', or 'drink of the gods'.

Whisky

Amrut fusion Single Malt 16

World's 3rd best single malt from India offers up notes of heavy oak, barley sugar and some subtle smoke characters with amazingly complex flavours like custard cream, toffee and dried fruits
